MAN: The last step of YALI Learns is to tell us about it.

Your session is over, but its impact is just beginning. Share with us how it all went on the YALI Learns page. Give us feedback so we can improve the experience.

Then, share your session with the world on the YALI network face to face page, and with your own social media networks. Look for ways to spread the word and inspire others to take action.

Finally, take pride. You just made your community a better place.

The most important part of YALI is you.
